 - Timing
 - Fees
 - Appeals
 - Process

Description:

Public Information Act

What kind of information should be released to the public upon request? Many difficulties can be avoided by knowing the answer. This class helps officials and staff at all levels understand the requirements of state law governing requests for public records and suggests best practices for handling those requests. The class includes small roundtable discussions using real-life scenarios to further illustrate appropriate responses to requests from the public or the press.
