Their clients include counties, component units of the state, townships, boroughs, authorities, cities, and school districts. Their partners and directors have worked in the Big 4 accounting firms and have brought their experience to Zelenkofske Axelrod LLC to grow their governmental practice to where it is today. The quality of their work is second to non, particularly in the Government Industry. This fact is evident in many ways, but independently supported through their most recent Peer Review which included review of specific governmental engagements, resulting in an unqualified opinion with no Letter of Comment.</p>	<p>Budget & Finance Affiliate Meeting, Welcoming Session, Bronze Corporate Partner</p>	<p>http://www.zallc.org/</p>
