Academy for Excellence in Local Governance (University of Maryland School of Public Policy)	The Academy for Excellence in Local Governance (The Academy) voluntary certificate program is a collaborative effort involving MACo, the Maryland Municipal League (MML), the Local Government Insurance Trust (LGIT), and the School of Public Policy of the University of Maryland, College Park, that also serves as the program administrator. The Academy trains informed and responsible local officials to give Maryland jurisdictions the leadership needed to meet the challenges of the 21st century. Specific objectives are (1) to increase understanding of local government and how it functions; (2) to promote high ethical standards in public service; (3) to provide an informational base for more informed policy making; (4) to develop capacity of local officials to govern effectively; and (5) to recognize local officials for their educational efforts.	24

Company	Description	Booth #	Website
Local Government Insurance Trust (LGIT)	For over 30 years, Maryland's local governments have covered their primary and excess liability, auto, environmental, property, cyber and equipment breakdown insurance needs through the Local Government Insurance Trust (LGIT). Owned and managed by its members, LGIT was founded in 1987 by act of the Maryland General Assembly through the joint efforts of the Maryland Municipal League (MML) and the Maryland Association of Counties (MACo). Since 2010, LGIT has provided local governments an alternative for their health insurance needs with LGIT HEALTH. This health co-op helps control the cost of health insurance. LGIT's purpose is to meet Maryland's local governments risk management needs - not to make a profit by selling insurance. Because of LGIT, local governments know they now have insurance coverage available to them at stable rates and predictable costs - regardless of private insurance industry cycles. In addition to the publications produced by LGIT, they also provide a wide variety of Risk Management services including: Training, Grants, the LGIT Online Campus and the HR Compliance Portal.	8	<a href="http://lgit.org">http://lgit.org</a>
Logitech	Logitech is raising the bar on the video conferencing industry with a next-generation portfolio of appliance- and PC-based solutions that work with today's leading video conferencing services such as Microsoft Teams, Google, and Zoom.
